

# EVENTS at UNITY

*A joyful space for making memories*

At Unity of Vancouver our aim is to provide the city's best small performance venue for Metro Vancouver's various musical and new thought groups. Located in the heart of the city, Unity of Vancouver is bright and open - a joyful space for making your event memorable.

Unity of Vancouver's auditorium can comfortably accommodate an audience up to 500 people with plush theatre seats in a climate controlled environment. The well-lit stage can be customized to your needs and there is a green room for the privacy and comfort of your performers.

Your event will sound lively and fantastic as the church has superior acoustics and a professional sound system including microphones and speakers.

Our Bergen Grand Piano easily allows you to include live piano music for your event and saves you from the hassle of transporting your own piano or keyboard.

Your staff and guests will find plenty of free parking on the property and on the adjacent streets. Centrally located near 41<sup>st</sup> and Oak Street on major bus routes and steps to the Canada Line, Unity of Vancouver is easy to find and conveniently accessible by transit.
